

Speakers

International Tax Update

[Mr Franck Biancheri, Conseiller de Gouvernement pour les Relations Extérieures et les Affaires Economiques et Financières Internationales](#)

Mr. Franck Biancheri, Minister Plenipotentiary, Government Couselor for External Relations and for International Economic and Financial Affairs will speak about the much publicised tax treaties recently signed by Monaco which enabled The Principality to move from the Organisation for Economic Co-operation and Development's (OECD) Grey list to the White list. Mr Biancheri will speak about the implications for Monaco and its business community.

[Anders Oreby Hansen, Bech-Bruun Law Firm, Denmark](#)

Anders Oreby Hansen is a partner of the leading Danish law firm Bech-Bruun. He specialises in EU and international tax law, transfer pricing and corporate restructuring. Anders' clients include some of the major international shipping companies as well as private individuals and their business interests. Anders will be reviewing the various criteria to look at when choosing jurisdictions for international tax planning purposes.

[Cecile Acolas-Villacres, Moore Stephens Monaco](#)

Cécile is a manager in Moore Stephens Monaco Estate and Tax planning department. Cécile specialises in the coordination and structuring of French property transactions as well as planning for foreign individuals investing or moving to France.

International Accounting Update

[Dr Jens Poll, Moore Stephens RöverBrönner Berlin](#)

Dr Jens Poll is a partner of Moore Stephens RöverBrönner Berlin and Head of Moore Stephens Europe Audit and Accounting Faculty. Jens is active on numerous technical committees including the Fédération des Experts Comptables Européens Working Group for Small and Medium Entities in Brussels.

International Financial Reporting Standards for non-listed, small to medium sized businesses (IFRS for SMEs) provide a simplified set of accounting principles. They were published by the International Accounting Standards Board in July 2009 with the view to reducing the reporting burden for 95% of companies worldwide. Jens will explain how IFRS for SMEs could apply to your business and the potential benefits and disadvantages of adoption.

[Jamie Tomlin, Moore Stephens LLP London](#)

Jamie Tomlin is a Senior Manager in Moore Stephens London Technical Services Department and is responsible for providing technical assistance on accounting, auditing and company law matters to Moore Stephens' partners and staff. He is also a Member of the London Society of Chartered Accountants Technical Committee. Jamie will provide an update of the major changes to International Financial Reporting Standards made in the year.
